

# Science Explorers: 2013 Week 2

## Waves

### INTRODUCTION

Type of Wave	Medium (What is waving?)

### CUP PHONES

How do you think the cup phones work?

I think the cup and string works as a phone because \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_.

What do you think the string looks like when you are talking? Draw on the picture below:

Can you explain your picture shows?
